

Contents

1	Introduction	1
1.1	General remarks	1
1.2	Selection criteria	1
1.3	Explanation of the tables	3
1.4	Explanation of the figures	3
1.5	Data evaluation	4
1.6	List of the information sources	4
1.7	References for chapter 1	5
2	Interactions of deuterons with nuclei	7
2.1	List of excitation functions	7
2.2	Tables of excitation functions	30
2.3	Figures of excitation functions	262
3	Interactions of tritons with nuclei	341
3.1	List of excitation functions	341
3.2	Tables of excitation functions	342
3.3	Figures of excitation functions	348
4	Interactions of ^3He-nuclei with nuclei	351
4.1	List of excitation functions	351
4.2	Tables of excitation functions	360
4.3	Figures of excitation functions	466
5	References for chapters 2, 3, and 4	503
