This dictionary includes some words which have or are asserted to have proprietary status as trademarks or otherwise. Their inclusion does not imply that they have acquired for legal purposes a non-proprietary or general significance nor any other judgement concerning their legal status. In cases where the editorial staff have some evidence that a word has proprietary status this is indicated in the entry for that word but no judgement concerning the legal status of such words is made or implied thereby

Any websites referred to in this publication are in the public domain and their addresses are provided by Oxford University Press for information only. Oxford University Press disclaims any responsibility for the content

The British National Corpus is a collaborative project involving Oxford University Press, Longman, Chambers, the Universities of Oxford and Lancaster and the British Library
