

Contents

Glossary of Terms	1	Failures of Steel Castings	380
Engineering Aspects of Failure and Failure Analysis	13	Failures of Weldments	411
<i>Chairman: Richard G. Hoagland, The Ohio State University</i>		Failures of Brazed Joints	450
General Practice in Failure Analysis	15	Manufactured Components and Assemblies	457
Appendix: Use of Microanalytical Techniques in Failure Analysis	32	<i>Chairman: Gordon W. Powell, The Ohio State University</i>	
Failure Analysis and Fracture Mechanics	47	Failures of Shafts	459
Ductile-to-Brittle Fracture Transition	66	Failures of Sliding Bearings	483
Failure Mechanisms and Related Environmental Factors	73	Failures of Rolling-Element Bearings	490
<i>Chairman: Gordon W. Powell, The Ohio State University</i>		Failures of Lifting Equipment	514
Identification of Types of Failures	75	Failures of Mechanical Fasteners	529
Ductile and Brittle Fractures	82	Failures of Springs	550
Fatigue Failures	102	Failures of Tools and Dies	563
Distortion Failures	136	Failures of Gears	586
Wear Failures	145	Failures of Boilers and Related Equipment	602
Liquid-Erosion Failures	163	Failures of Heat Exchangers	628
Corrosion Failures	172	Failures of Pressure Vessels	643
Stress-Corrosion Cracking	203	Failures of Metallic Orthopedic Implants	670
Liquid-Metal Embrittlement	225	Failures of Pipelines	695
Embrittlement by Solid-Metal Environments	239	Failures of Bridge Components	707
Hydrogen-Damage Failures	245	Failures of Locomotive Axles	715
Corrosion-Fatigue Failures	252	Engineered and Electronic Materials	729
Elevated-Temperature Failures	263	<i>Chairman: Gordon W. Powell, The Ohio State University</i>	
Failures in Sour Gas Environments	298	Failure Analysis of Continuous Fiber Reinforced Composites	731
Products of Principal Metalworking Processes	305	Failure Analysis of Ceramics	744
<i>Chairman: Salah E. Mahmoud, Exxon Production Research Company</i>		Failure Analysis of Polymers	758
Failures of Cold Formed Parts	307	Failure Analysis of Integrated Circuits	766
Failures of Forgings	314	Metric Conversion Guide	793
Failures of Iron Castings	344	Abbreviations and Symbols	796
		Index	799
