

CONTENTS

Introduction	
Hermann Robl.....	ix
Some of the Early Developments Of Quantum Theory	
P. A. M. Dirac.....	1
History of Superconductivity Research	
John Bardeen.....	15
Physical Concepts of the Development of the Maser and Laser	
Willis E. Lamb, Jr.	59
From Maser to Laser	
Arthur L. Schawlow.....	113
Atomic Collisions Physics - Its Influence on Technology and Society	
Manfred A. Biondi.....	149
Thermonuclear Energy	
Edward Teller.....	181
Television - Its Indebtedness and Contribution to Science	
Vladimir K. Zworykin and Edward G. Ramberg.....	193
Biographical Notes.....	297
