Volume 3

Preface v

Contents vii

8. J. Weertman and J. R. Weertman
Moving dislocations 1
9. *Resistance to the motion of dislocations* 61
10. G. Schöck
Thermodynamics and thermal activation of dislocations 63
11. J. W. Christian and A. G. Crocker
Dislocations and lattice transformations 165
12. J. C. Savage
Dislocations in seismology 251
- Author index* 341
- Subject index* 348
