

CONTENTS

COLLISIONS INVOLVING ELECTRONS AND PHOTONS

Electron and Photon Collisions with Atoms and Ions.....	1
C.J. Joachain	
Electron and Photon Collisions with Molecules.....	69
P.G. Burke	
Recombination Processes in Atomic and Molecular Physics.....	123
J.N. Bardsley	
Charge Exchange and Ionization in Ion-Atom Collisions.....	165
R. McCarroll	
Atoms in Astrophysical Plasmas.....	233
H. Van Regemorter	

COLLISIONS OF ATOMS AND MOLECULES

Low Energy Atom-Atom Collisions.....	279
M.S. Child	
Internal Energy Transfers in Molecular Collisions.....	315
F.A. Gianturco	
Chemical Photophysics.....	393
R.D. Levine	

COLLISIONS UNDER SPECIAL CONDITIONS

Collisions of Charged Particles with Highly Excited Atoms....	431
I.C. Percival	

Electron-Atom Scattering in the Field of a Laser..... 461
M.H. Mittleman

Lecturers..... 489

Participants..... 492

Index..... 501
