

## Contents

I	Introduction .....	1
II	Organizational Development .....	2
III	Organization Chart .....	5
IV	Respective Programs .....	6
〔A-1〕 <b>Experimental Programs 1</b>		
	Japan Atomic Energy Research Institute (JAERI) .....	7
	Electrotechnical Laboratory (ETL) .....	10
	Institute of Physical and Chemical Research (Riken, IPCR) .....	11
	Institute of Plasma Physics, Nagoya University (IPP) .....	15
	Plasma Physics Laboratory, Kyoto University (PPL, Kyoto) .....	25
	Plasma Physics Laboratory, Osaka University (PPL, Osaka) .....	27
	Institute of Laser Engineering, Osaka University (ILE, Osaka) .....	29
	Nihon University .....	30
〔A-2〕 <b>Experimental Programs 2</b>		
	Ehime University .....	33
	Fukui University .....	33
	Gunma University .....	34
	Hiroshima University .....	35
	Hokkaido University .....	36
	Ibaraki University .....	37
	Kanazawa University .....	38
	Kyoto University .....	39
	Kyushu University .....	43
	Nagoya University .....	44
	Okayama University .....	47
	Osaka University .....	48
	Osaka City University .....	49
	Shizuoka University .....	50
	Tohoku University .....	51
	Tokai University .....	54
	University of Tokyo .....	55
	Tokyo Institute of Technology (TIT) .....	59
	Tokyo University of Education .....	60
	Utsunomiya University .....	61
	Yokohama University .....	62

<b>(B) Theoretical Programs</b>	
Japan Atomic Energy Research Institute (JAERI).....	63
Institute of Plasma Physics, Nagoya University (IPP).....	63
Nihon University .....	64
Hiroshima University .....	65
Hokkaido University.....	66
Jichi Medical School.....	67
Kyoto University .....	68
Kyushu University.....	68
Nagoya University .....	69
Niigata University .....	70
University of Tokyo .....	70
<b>(C) Fusion Technology</b>	
Japan Atomic Energy Research Institute (JAERI).....	73
Electrotechnical Laboratory (ETL).....	74
Plasma Physics Laboratory, Kyoto University (PPL, Kyoto).....	75
Kyoto University .....	76
Kyushu University.....	77
Nagoya University.....	78
Osaka University.....	79
University of Tokyo .....	80
Tokyo Institute of Technology (TIT).....	82
<b>(D) Activities of Japanese Industry for Nuclear Fusion.....</b>	<b>86</b>
