

Contents

- 1 Basic surface plasmon theory**
D R Tilley
- 25 The method of attenuated total reflection**
K Welford
- 79 Photon excitation of surface plasmons on real surfaces**
J R Sambles
- 101 Nonlinear surface plasmon–polaritons**
A D Boardman and T Twardowski
- 121 An applied perspective of surface plasmon–polaritons**
J R Sambles and R A Innes
